With a partner, think of other places to go for a day out.

Now, read what four different people like to do. Choose the best place for them to go on a day out. There is more than one possible answer for each person.

**Camilla:** "I enjoy dancing, cooking and fashion. I also like watching drama on TV and will sometimes draw pictures in my notebook. I don't really like going for walks or playing sport." .....

**Adam:** "I like exercise and doing exciting things, but I'm not very interested in swimming. But I really enjoy any type of game." .....

**Sophie:** "I like to read a lot about history. I like to visit cities and see interesting places, and I will usually buy souvenirs. But I don't enjoy computer games or watching movies." .....

**Sean:** "When I was young I went swimming all the time. I still do it today. I'm always happy when I am in the water. I don't really enjoy looking at pictures or old things." .....

Where do you like to go for days out? Do you like to go with family, friends, or by yourself?
